*The Eidsvold Show Society is grateful to the State Government for their generous grant, enabling us to maintain our facilities.*
I sincerely hope that all who read this message, whatever business you are in, are enjoying more buoyant business conditions as a result of improved seasonal outlooks and better prices. Most who are reading this message will, no doubt, be fairly closely associated with rural production whether you are a producer or a service provider to agricultural enterprises. In this regard, relatively general widespread rainfall, a lower Australian dollar, and generally improved markets for agricultural produce have combined to inject a feeling of optimism into most rural communities. Hopefully, this feeling of optimism will be reflected in good attendances at our various local district Shows.

Looking back over our 2015 Eidsvold Show, our committee was very relieved at the success of our Show in spite of it clashing with the very highly promoted “Beef 2015”. And having our very-own Burnett Sub-chamber Queensland Miss Showgirl, Sophie Hughes perform the official opening of our Show made the day quite special. Thank you Sophie! While entries in some sections of our show were down, and we had to cancel our Stud Cattle section because of “Beef 2015”, we did end up having a very successful Show with a very positive atmosphere being expressed by our patrons. Again our One Day Show schedule was packed with many events to keep patrons entertained throughout the day and well into the evening.

Our 2016 Show will again have a Stud Cattle section as well as our usual highly competitive Prime Cattle section, and with the improved seasonal conditions and much improved cattle prices, we are anticipating very strong entries in these sections. After all Eidsvold has the reputation of being “The Beef Capital of the Burnett”

With the upswing in interest in all things involving Horses, our Campdraft and Ring events will be hotly contested, as will our newly introduced “Team Penning” event.

Our Wood Chopping events will be held this year in an area that will make them much more visible to our general audience.

Our very active and hard-working social sub-committee will be hosting an exciting “Magical Masquerade” evening on the Friday before the Show (April 29th.). We hope that many will mark this evening as an event “not to be missed”.

I sincerely thank all our sponsors and trophy donors, our exhibitors, our members and all who have helped in the preparations for our 2016 Show. Without all our helpers we would not have a Show. I again look forward to seeing many of you at a day of interest and fun and good company at the Eidsvold Show on Sunday May 1, 2016.

The Old Bloke

This is just a little antidote, tongue in cheek way of saying thank-you. Marshall our treasurer asked if I would add something in the schedule to acknowledge a generous donation from a special old bloke and don’t get me wrong everybody’s donation, whether it be your time or monitory is very much valued by our show.

If you have parsed our schedule this year we have a new section – Team Penning – and a new, enthusiastic group of young people [the new blood] running it.

This is what every organisation needs an injection of new blood so to speak.

The old bloke has seen many musters and is now in the elite 100’s club. The days pass slowly now, the mind is active but the body not! The old bloke has known the new blood since they were whipper snappers & wants to give them a helping hand to get the new section up & running.

The old bloke’s philosophy in life is ‘you can’t take it with you’ and we’ll drink to that. So if you have got the time, check out the team penning – thank-you!

From the editor.

Team Penning Rules

30 head of cattle marked with coloured collars (or numbers) in sets of 3. (ie 3 red, 3 blue etc) are at the “mob” end of the arena. Teams (3 riders) attempt to cut out the assigned cattle from the mob and gather them in the “pen” at the opposite end of the arena within a 2 minute time limit.

1. The judge calls the assigned collar colour (or number) as the NOSE of the first horse crosses the start/foul line
2. A run commences timing when the NOSE of the first of the three (3) horses crosses the start/foul line
3. Within a two (2) minute time limit, a team (3 riders) will attempt to cut from the mob and pen three (3) head of cattle with the assigned collar colour (or number). A warning bell is issued with thirty (30) seconds remaining on the run
4. A team may only call for time ONCE
5. To call for time, one (1) rider ONLY must come to a STOP and STAND in the gateway of the pen – with a minimum of the horse's nose to a maximum of a vertical line at the horse's chest in the pen gate, and raise his/her hand when all or some of the assigned cattle are penned. The remaining two (2) riders must be on the pen side of the start/foul line, and ALL non-penned cattle must be on the mob side of the start/foul line
6. A team may call for time with only one (1) or two (2) of the assigned cattle penned - however, teams penning three (3) head of cattle will place higher than those penning two (2) head, and two (2) head will place higher than teams penning one (1) head – regardless of the time
7. Time cannot be called until assigned cattle are in the pen and all other cattle are on the mob side of the start/foul line. If time is called before all “spare” (including assigned cattle not being penned) are on the pen side of the start/foul line a “no-time” will be recorded
8. No time will be awarded if incorrect assigned cattle are in the pen when time is called
9. Any more than five (5) head of cattle at any one time on the pen side of the start/foul line will incur a “no-time” being recorded for that run. A line person will be in place to monitor the start/foul line for too many across the line
10. NO person or horse is permitted to enter the pen at any time. All removal of cattle from the pen is to be done from outside the pen. This is a WHS ruling
11. A team must stop working cattle immediately when called a “no-time” by the judge or at the 2 minute bell.
12. Any team exhibiting unnecessary rough handling or rushing into or at the mob at excessive speed, may result in disqualification at the judges decision
13. Once the three (3) riders have entered the arena and the run has commenced – where a horse is deemed out of control by the judges decision – any rider that dismounts, horse falls, rider is thrown or falls - will result in that run being terminated without a time be recorded
14. No whips may be bought into the arena. No hitting of cattle with any object is allowed. Hazing cattle with hats, reins or rope will be cause for termination of that run. Slapping of hand or rein to own leg is permitted
15. At the judges discretion, a team may be awarded a re-run if one (1) or more head of cattle is deemed unsuitable (healthwise) or escapes the arena
16. Competitors will only be called three (3) times to be present for their run. If that team does not present at the “in- gate marshal area” by the third (3rd) call, that run may be made void at the judges decision
17. Cattle may not be shouldered or pushed by either horse or rider during the run. Abuse of cattle or horses will be the cause for immediate disqualification of the run without refund of entry fee
18. When the 3 whole beasts, of your given colour, are across the centre foul line, your team are committed to those cattle. The Judge will say “Committed”. If one or more of those beasts (whole beast) go over the centre foul line it cannot be reclaimed. That lost beast then becomes part of the existing mob, known as a “lost beast”.

Rules should be read in conjunction with Team Penning Australia Inc documents: Animal Welfare Policy Statement; WHS Rules and Code of Conduct. Team Penning Australia Inc. endorses the Australian Horse Welfare Protocol refer to www.horsecouncil.org.au

We understand that farmers face a unique set of challenges, which often present opportunities. You need to adapt to rapidly changing weather conditions, crop and livestock development, emerging technologies, commodity price fluctuations and varying global economic conditions.

A Rural Bank Farm Finance Specialist recognises these challenges. They can back you to make the most of the opportunities this constantly evolving landscape presents.

To find out more about Rural Bank’s range of specialist farm finance products and services, visit your local branch at 54 Lyons Street, Mundubbera or phone 4165 3798 to speak to Rob Watt.
